Ian Bremmer to Speak at ALDA Spring Meeting

Alexandria, VA (January 30, 2015) — Ian Bremmer, President of the Eurasia Group and a highly regarded speaker on the global geopolitical outlook at ALDA's 2013 Spring Meeting, will be a featured speaker at our 2015 Spring Meeting.

The 2015 Spring Meeting will be held on May 4-6 in Boston. The program is expected to examine disruptive change and the implications specific to our industry.

Mr. Bremmer is president and founder of Eurasia Group, the leading global political risk research and consulting firm.

Founded in 1998, the Group provides analysis and expertise on how political developments and national security dynamics move markets and shape investments across the globe. As the firm's president and most active public voice, Dr. Bremmer advises leading executives, money managers, diplomats, and heads of state.

Dr. Bremmer has published nine books with another scheduled for publication in February, is a regular columnist for Reuters and the Financial Times A-List, and has written hundreds of articles for many leading publications. He appears regularly on CNBC, Fox, Bloomberg, CNN, the BBC, and other networks. Says Larry Summers, "Global political economy has no sharper or more prescient analyst than Ian Bremmer."

For more information regarding ALDA, contact Mike Duff, President, at 703-647-6214. More information regarding ALDA, its purposes, objectives and programs, and links to its members' websites can be found at www.thealda.org

Based on the Washington DC suburb of Alexandria, VA, ALDA is an industry trade association for companies that develop and supply life science, analytical and diagnostic products and services used to conduct research, drug discovery, QA/QC testing and diagnostics in a wide range of industries and applications. Major customer segments including pharmaceuticals, biotech, academic and government research, food safety and environmental testing, personalized medicine and diagnostics.

ALDA's Mission is to be an advocate for our industry and a valuable aid to our members' global business success and to their customers' advancement of healthcare, science and industrial innovation by providing meetings with strategic content, networking, global market and business intelligence, and insights on emerging technologies, markets and business strategies.
