BD Life Sciences' Dave Hickey Joins ALDA Board

Alexandria, VA (May 5, 2017) — Dave Hickey, Worldwide President – Diagnostic Systems, of BD Life Sciences, has joined the ALDA Board of Directors.

Mr. Hickey replaces Cynthia Collins, formerly CEO, Purification & Analysis and Cell Therapy Businesses at GE Healthcare Life Sciences, who resigned this past January to accept a position as CEO of Human Longevity, Inc.

Mr. Hickey has been a Worldwide President at BD Life Sciences since May 2014. Previously, he served as Executive Vice President of Siemens Healthcare and prior to that as CEO of the Laboratory Business Unit of Siemens Healthcare Diagnostics.

For more information regarding ALDA, contact Mike Duff, President, at 703-647-6214. More information regarding ALDA, its purposes, objectives and programs, and links to its members' websites can be found at www.thealda.org

Based on the Washington DC suburb of Alexandria, VA, ALDA is an industry trade association for companies that develop and supply life science, analytical and diagnostic products and services used to conduct research, drug discovery, QA/QC testing and diagnostics in a wide range of industries and applications. Major customer segments including pharmaceuticals, biotech, academic and government research, food safety and environmental testing, personalized medicine and diagnostics.

ALDA's Mission is to be an advocate for our industry and a valuable aid to our members' global business success and to their customers' advancement of healthcare, science and industrial innovation by providing meetings with strategic content, networking, global market and business intelligence, and insights on emerging technologies, markets and business strategies.
