## PerkinElmer's Jim Corbett Joins ALDA Board

**Alexandria, VA (January 11, 2017)** — Jim Corbett, Executive Vice President and President, Discovery & Analytical Solutions, at PerkinElmer, Inc., has joined the ALDA Board of Directors.

Mr. Corbett was appointed to fill a vacancy on the ALDA Board by ALDA Chairman Rainer Blair, and the appointment was unanimously ratified by other members of the ALDA Board.

The Discovery & Analytical Solutions sector was created last Fall through the combination of PerkinElmer's Environmental Health and Life Science Solutions businesses. According to the company, the combination will advance PerkinElmer's success in serving and innovating for its applications-oriented customers in the food, environmental, industrial, and life sciences markets.

Previously, Mr. Corbett served as President of PerkinElmer's Human Health business since March 2014. He has been an officer of PerkinElmer since February 2012.

For more information regarding ALDA, contact Mike Duff, President, at 703-647-6214. More information regarding ALDA, its purposes, objectives and programs, and links to its members' websites can be found at [www.thealda.org](http://www.thealda.org)

Based on the Washington DC suburb of Alexandria, VA, ALDA is an industry trade association for companies that develop and supply life science, analytical and diagnostic products and services used to conduct research, drug discovery, QA/QC testing and diagnostics in a wide range of industries and applications. Major customer segments including pharmaceuticals, biotech, academic and government research, food safety and environmental testing, personalized medicine and diagnostics.

ALDA's Mission is to be an advocate for our industry and a valuable aid to our members' global business success and to their customers' advancement of healthcare, science and industrial innovation by providing meetings with strategic content, networking, global market and business intelligence, and insights on emerging technologies, markets and business strategies.
